Dear Mr. Gressett,

I am in receipt of your letter of March 21, 1975 and thank you for calling this to my attention. We have filed a motion for a hearing on April 16 concerning the Monsanto-Foster and, if granted, will assist us in additional disposal room for a short period and this well or another well in the area may be reentered for additional disposal room.

At such time as this arises, we will refile an application.

Yours very truly,

A handwritten signature in black ink, appearing to read "Roger C. Hanks", is written over the typed name. The signature is stylized with a large loop at the beginning and a long, sweeping tail.
