Dear Mr. Williams:

Per our telephone conversation on March 31, 1986, on the above captioned well, we are respectfully requesting a six-month extension on the application for permit to drill. This well is to be deepened to 10400' and completed for salt water disposal.

If there is anything else that you might need, please give me a call.

We appreciate your cooperation in getting the extension for us.

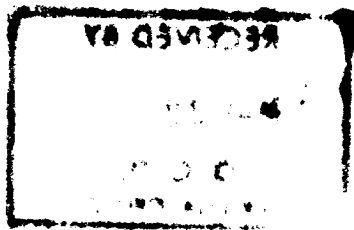

Thank you.

Sincerely yours,
