Gentlemen:

In accord with instructions for submitting an Application for Permit to Drill under a Federal oil and gas lease, a Development Plan for Surface Use is submitted as follows:

1. Existing Roads

Exhibit "A" attached shows existing roads in solid red lines, including the exit from the Artesia-Loce Hills Hiway.

2. Planned Access Road

The planned access road is shown on Exhibit "A" as a dotted red line. Road width will be 16 feet with a compacted or surfaced width of 12 feet. Where required by loose sand, road will be surfaced with a six inch thickness of caliche.

3. Location of existing wells

Location of existing wells and the location of the proposed well is shown on Exhibit "B" attached.

4. Lateral road to well locations

Included on Exhibit "A"
