Re: Fanning Com. #1-K  
4-19-26  
Eddy County, NM

Gentlemen:

A recent field inspection showed the location of the above subject well was not ready for the plug and abandonment clean-up approval because the cellar was still open.

You will need to fill and level the cellar before we can approve the plug and abandoned clean-up.

Your attention to this matter will be appreciated.

Sincerely yours,

Mike B. Williams  
Oil & Gas Inspector
