Dear Mr. Gressett:

After our conversation this morning I contacted Mr. Peterson with Natural Gas Pipeline Company of America in the Lovington, New Mexico office. At that time he assured me that a disconnection notice from the Morrow Gas and a connection notice of the Atoka Gas on the above captioned would receive top priority and would be in your office as soon as possible.

If you do not receive these notices by weeks end or the first part of next week please contact me so that I may call again. If you need further assistance please call. Your cooperation is sincerely appreciated.

Yours truly,

COQUINA OIL CORPORATION
