On November 1, 1973, you approved the drilling permit for this well, and on March 21, 1974, you extended it to June 25, 1974. Due to rig activity in this area, we were unable to locate a drilling rig. We have now located a drilling rig which will be available on or about July 15, 1974. We would appreciate your further extension of this drilling permit to July 31, 1974.
