This acreage was communitized including all of Section 32-T20S-R25E. By OCC Order # R-5162 the acreage changed to 320 acres instead of 640. It also put this well in the Cemetery (Morrow) Gas instead of the Indian Basin (Morrow) Gas. This order is effective March 1, 1976. The State of New Mexico will receive 8/8 royalty from all production beginning March 1, 1976, from the N/2 of Sec. 32.
