Gentlemen:

According to our records, the subject well was drilled to a total depth of 2,870' and operations suspended in June, 1974.

To date no further work has been reported on the well and you have not complied with the new bonding requirements.

Therefore, we are requesting that you submit a new bond and return the well to active drilling status or plug and abandon same.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
