

1. The Commission of the European Communities (CEC) has been established by the Council of Ministers of the European Community (EC) in 1957. The CEC is the executive body of the EC and is responsible for the implementation of the EC's policies. The CEC is composed of representatives from the member states and the European Parliament. The CEC's main tasks are to ensure the proper functioning of the EC's institutions, to coordinate the EC's policies, and to manage the EC's budget. The CEC is also responsible for the implementation of the EC's external relations policy. The CEC is the central body of the EC and is the main link between the member states and the European Parliament. The CEC is also responsible for the implementation of the EC's policies in the areas of economic and social policy, environmental policy, and education and culture. The CEC is the main body responsible for the implementation of the EC's policies and is the central body of the EC.
