Dear Mr. Sogner:

Enclosed herewith for your review and determination are copies of the following relative to the captioned well:

1. Form C-132 with applicable attachments thereto, as well as FERC Form 121 for Section 103 pricing.
2. Form C-132 with applicable attachments thereto, as well as FERC Form 121 for Section 102 pricing. As your office has copies of the Hondo Drilling Company logs and no new logs were run during our re-entry operations, logs are not being forwarded.

Also enclosed is an additional copy of this letter which we request you date, enter the docket number assigned and return in the enclosed, self-addressed, stamped envelope.

If you should need additional information or documentation relative to the enclosures, please do not hesitate to contact me.

Yours truly,

Kathie Craft  
Land Administrator
