Gentlemen:

In updating our files we find that the last report we received on the above captioned well was dated January 26, 1988. At that time you intended to plug back to the Canyon. Please submit all the subsequent reports so that we may know the status of this well.

Thank you for your prompt attention to this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Mike Williams". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
