Gentlemen:

We acknowledge receipt of the completion reports on the subject well.

However; said reports do not show the very bottom plug or the final disposition of the well.

Please submit Form C-103 showing all of the plugs, top of the last plug and released to land owner for a water well; also that the pits have been filled and levelled.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

A handwritten signature in cursive script, reading "W. A. Gressett".
