Dear Mr. Cook:

To date, this office has not received Form C-103 reporting setting and cementing surface casing in the subject well.

Please submit this report at your earliest, showing the amount, size, grade and weight of casing, the amount and type of cement and additives used, the WOC time and results of casing test.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
