#1-J, 2-19-31  
Eddy County, New Mexico

Dear Mr. Gressett:

Please find enclosed one original and three copies of Form C-103.

I want to apologize for this report not being submitted earlier. About the time that the cement was being poured we had a change of personnel in our office and things were a little bit unorganized for a few weeks. I want to assure you that this will not happen again and again I want to apologize for the delay of this report.

I would also like to have four copies of the State Rules and Regulations for drilling a well. The book we have is an old one and I know there is a more recent book.

If you need any more information regarding the enclosed report, please let me know.

Yours very truly,

*Joe Don Cook*

*Joe -  
our supply of Rules & Regulations is very low, therefore  
we are sending only one copy under separate covers.  
If you need more, get them from Santa Fe.*
