Re: Recompletion of DHY-B State #1
Sec. 11, T-19-S, R-28-E
Eddy County, New Mexico

Dear Mr. Chen,

Approval to recomplete the above subject well dated 12-2-94 is hereby withdrawn.

I was advised by the law firm of Losee, Carson, Haas and Carroll on 2/1/95 that there is a question as to the correct operator of the above subject well. The Oil Conservation Division does not want to enter into the determination of the correct operator, based on existing operating agreements, ownership interest and other transactions.

At the time the correct operator is determined, submit state Form C-104 (showing operator) and Form C-103 for recompletion approval.
