Dear Mr. Osvald

In reference to our conversation on July 31, 1995 regarding repair of DHY #1 in Ut F, Sec 23-19S-28E.

The Oil Conservation Division does not consider the failure of a packer just cause for commingling. The first order of business is to repair the packer.

However, you may file application to commingle with Mr. Ben Stone in the Santa Fe OCD office.

We do not have a form for commingle but I have enclosed a portion of rule 303 for your convenience.

Yours Truly,
