Re: DHY State #1 F-23-19S-28E

Dear Tom;

Upon reviewing well files for our annual packer leakage test we noticed that we had not received a subsequent report Form C-103 stating the remedial work that was performed last year on the above captioned well.

Please forward to the NMOCDA Artesia office your subsequent report along with your schedule for this years test. Your help in this matter is appreciated.

Yours Truly,

Ray Smith
Deputy Oil & Gas Inspector
