MULTI-POINT SURFACE USE AND OPERATIONS PLAN

RECEIVED

READ & STEVENS, INC. Well #1 Mobil Federal Com 1980' FSL & 1960' FWL Sec. 7-20S-25E EDDY COUNTY, NEW MEXICO U. S. LEASE NM-064348

APR 1 4 1977

U.S. GEOLOGICAL SURVEY ARTESIA, NEW MEXICO

This plan is submitted with the Application for Permit to Drill the above described well. The purpose of the plan is to described the location of the proposed well, the proposed construction activities and operations plan, the magnitude of necessary disturbance involved, and the procedures to be followed in rehabilitating the surface after completion of the operation so that a complete appraisal can be made of the environmental effects associated with the operation.

1. EXISTING ROADS:

- A. Exhibit "A" is a portion of the Eddy County highway map showing the proposed well as staked. Fourteen miles south of Artesia, New Mexico on State Highway 285, a county maintained unpaved road goes west along the north lines of Section 31-19S-26E and Sections 36, 35 and 34-19S-25E for 3.5 miles, then southwest across Sections 34 and 33-19S-25E for 1.6 miles, then west across Section 32-19S-25E for 1 mile. At this point an unpaved lease road meanders south across Section 32-19S-25E, Sections 5 and 8-20S-25E for 1.75 miles to the Transwestern Pipeline Company right-of-way. At this point an existing pipeline right-of-way road goes west 1.2 miles to a point 50' north of the proposed well site.
- B. Exhibit "B" is a plat showing all existing roads within a one mile radius of the wellsite and the planned access road.
- C. That portion of the existing pipeline road will be widened to 12 feet, improved, leveled and topped with 6 inches of caliche, watered and compacted for 1.2 miles.
- 2. PLANNED ACCESS ROAD:
 - A. Length and Width: New access road will not be necessary as the existing road will intersect the location pad on the east side.
 - B. Turnouts: None required.
 - C. Culverts: None required.
 - D. Cuts and Fills: None required.
 - E. Gates and Cattle Guards: No gates or cattle guards are required.
