RE: Covert Com. Well No. 1  
F Sec. 6, T-20S, R-25E  
Dagger Draw Morrow Gas Field  
Eddy County, New Mexico

Dear Bill:

Attached application to drill captioned well is being re-submitted for approval.

This well was permitted in 1975 and cancelled after the pad was completed.

We are approaching our partners again and anticipate that we will spud in early November.

Please advise if you require additional information.

Yours very truly,

E. M. Scholl  
Regional Production Manager
