Dear Sir:

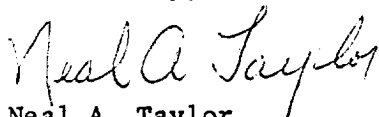

This letter is to notify you that the meter was set and the final gas connection made for Honeysuckle Exploration Corporation's Federal 26 Lease located in Section 26, Township 18S, Range 31E of the Shugart Field, Eddy County, New Mexico, on December 4, 1976.

Continental Oil Company started taking the gas from the #1 and #2 wells as of the connection date and the gas is no longer being flared.

As soon as our allowable is reinstated on this lease, we would appreciate it if you would notify Mr. Miller with Navajo Crude Oil Purchasing Company by phone.

Should you need any further information, please let us know.

Yours truly,

Neal A. Taylor
