Refer to recompletion notice dated June 15, 1987 and approved by NMOCD, Artesia, NM, June 19, 1987.

Due to economic conditions in the oil and gas industry, proposal to abandon Morrow perforations and recomplete well in Canyon has not been done. Yates Petroleum Corporation plans to do this recompletion at a future date, hopefully within the next 6 - 8 months.

The well is producing in the Cemetery Morrow Gas pool.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
