Gentlemen:

This is to advise that on January 20, 1981, the Penroc Oil Corporation Arco Federal #1 Atoka gas well located in Unit J of Section 33, Township 19-S, Range 28-E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to the well being plugged and abandoned on January 5, 1981.

Yours truly,
