Gentlemen:

This is to advise that on January 27, 1978 the Gulf Oil Corporation's Littlefield EM Com. #1 Morrow gas well located in Unit J of Section 20, Township 18-S, Range 31-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system.

This disconnection was due to Gulf switching their Littlefield #1 Morrow to the Warren Littlefield processing plant.
