Dear Sir:

This letter is to confirm your conversation on August 29, 1983, with Ronn Brock of our office concerning our interest in filing for approval to downhole commingle the Shugart Atoka and the Shugart Morrow gas zones.

We understand that you will allow us to continue to produce these zones pending administrative approval to downhole commingle the two gas zones.

We are preparing the necessary forms as required under Rule 303-C to submit to Santa Fe to begin the approval process.

Your assistance in this matter is sincerely appreciated.

Yours very truly,

R. C. ANDERSON
