Gentlemen:

We are returning the enclosed Form C-105 on the subject well for additional information.

Please complete by filling in the formation record from surface to total depth and attach a summary of all special tests conducted, including Drill Stem and Deviation tests. Please submit on the new forms or attach the additional information to the previously submitted forms.

Further, please submit Form C-103 reporting plugging the well back to 2050', showing the amount of cement used in each plug and where they were set.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W.A. Gressett
Supervisor, District II
