Gentlemen:

This is to advise that on June 15, 1982 the Yates Petroleum Company's State H.U. Com. #1 gas well located in Unit N of Section 7, Township 19S, Range 28E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter will remain on location, meter #61-817-01 will be discontinued and will be reassigned a new meter number, but will remain operative, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion from the Strawn zone to the Atoka zone.

Yours truly,
