Gentlemen:

Attached please find C-101 Application to Drill and  
C-102 Well Location Plat on above well.

Anadarko Production Company has on file Application to  
Drill at this same location, however, Anadarko is relinquishing  
operation of well to Southland Royalty Company. Mr. Jerry  
Buckles with Anadarko has discussed this with you. As there  
is a slight alteration in casing size and depth and change  
of drilling contractors a new application is hereby submitted.

Anticipated spud date is May 1, 1978. Should there be  
any question concerning this application, please call me at  
915/682-8641.

Very truly yours,

C. Harvey Carr
