17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is proposed to squeeze off the existing Morrow Perfs due to low production and water entry. The Upper Morrow will then be perforated and acidized as necessary and placed on production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
