Dear Mr. Gressett:

As you requested in your letter of December 22, 1977, we are returning the enclosed Forms C-101 and C-102 with your recommended changes. Following is a breakdown of the corrections and additional information we have made on the forms:

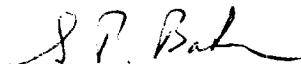

C-101 (1) We have added the lease number to Line 5.
(2) We have corrected the lease name.
(3) We have filled in Line 21A concerning the bonding.

C-102 (1) We have outlined each lease and identified the ownership thereof.

Further, we have notified our bonding company and they have advised us that they would have the bond renewed and upgraded by January 6, 1978. Should you have any additional questions concerning the bonding, please contact me.

In compliance with your Memo No. 3-76, be advised that gas on this acreage is not dedicated to any purchaser.

Very truly yours,

S. P. Baker
District Drilling Engineer
