Gentlemen:

We hereby acknowledge receipt of Form C-101, Application For Permit to Drill and Form C-102, Well Location and Acreage Dedication Plat for the subject well. However, to date, according to our records you have not complied with the new Bonding requirements, therefore we are unable to approve this Permit to Drill.

Upon receipt of notification from our Santa Fe office of your new Bond approval, we will process this application. Further, please advise if the gas is or is not dedicated to a purchaser.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,
