

This form is to be filed with the appropriate district office of the State Water Control Board not later than 5 days after the completion of any newly-drilled or deepened well. It will be necessary to submit one copy of all the drilled and test results to the State Water Control Board on the well and a summary of all special tests conducted in the new well, from tests. All borehole reports shall be measured depth. In the case of directionally drilled wells, true vertical depths shall be reported. For multiple completion holes 33 through 34 shall be reported for each zone. The form is to be filled in quintuplicate except on state land, where six copies are required. See Rule 140.

INDICATE FORMATION TOPS IN CONFORMANCE WITH GEOGRAPHICAL SECTION OF STATE
