Re: State "EC" No. 1

Mr. Bill Gressett  
State of New Mexico  
Energy and Minerals Department  
Oil Conservation Division  
P. O. Drawer DD  
Artesia, NM 88210

Dear Mr. Gressett:

Attached is the multipoint back pressure test for State "EC" No. 1. We apologize for the delay in submitting this report. El Paso Natural Gas Company connected to this well on February 21, 1979, however, sales did not commence until April 12, 1979. Sales were delayed pending El Paso Natural Gas Company's approval of a sales contract. We assumed that we had 60 days from the date that sales started to complete the multipoint back pressure test.

Thank you for your assistance.

Yours very truly,
