Gentlemen:

This is to advise that on December 23, 1985 the Amoco Production Company, State EC #1 gas well located in Unit C of Section 5, Township 19, Range 29, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but in-operative until permanent status of the measuring arrangement is determined. The disconnection was due to recompleting well.

Sincerely,

Robert Patterson  
Production Coordinator
