Dear Mr. Valentine:

To date, this office has not received reports on the subject wells as per our telephone conversation of November 21, 1978.

Please submit the following at your earliest convenience:  
The points for the back pressure curve plotted on log-log paper and one set of logs for each of the above wells.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett  
Supervisor, District II
