Dear Mr. Enfield:

We hereby acknowledge receipt of the Re-Completion Reports on the subject well.

With some minor changes that we can make on Forms C-104 and C-104, the reports can be accepted; however, prior to processing them, you must submit Form C-103, reporting all of the details on plugging the Atoka gas producing zone, including the amount of 4 1/2" casing that was recovered.

If you have any questions concerning this matter, feel free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
