Dear Mrs. Snow:

We are returning the enclosed Forms C-103 on the subject well for additional information.

Please show the weight of the 8 5/8" casing, and if the cement circulated, so indicate; show the WOC time pressure test and results of same.

Further, the deviation tests are required prior to assigning an allowable.

If you have any questions concerning this matter, please feel free to call upon me.

Sincerely yours,

W. A. Gressett
