

Bonnie,

- Included with this fax is Van Barton's procedure for setting plugs on the State '32' Com. #1 well.
- Please fill your intent out on Forms C-102 & 101. I need to know what formation your are going for, a gas well or oil well, proration units, etc., etc. for the plug back zone.
- Note use and type of BOPE Device to be used.

If you have any questions, please call us and ask for myself or Van.
