Dear Mr. Barnhill:

According to our files the above mentioned well has never been plugged and abandoned.

We have a C-105, Completion Report, showing the well to be a dry hole, and a C-103 showing your intent to plug and abandon the well.

If the well has been plugged, please submit a C-103 showing the plugging procedure for our approval.

If the well has not yet been plugged, please notify us in time for someone from this office to witness the plugging procedure.

Very truly yours,
