Outline the acreage dedicated to the subject well by a closed polygon (enclosed area) on the plat.

If more than one lease is dedicated to the well, outline each and identify the leased portion (showing working interest and royalty).

If more than one lease of different ownership is dedicated to the well, have the interests consolidated by communitization, unitization, force-pooling, etc.

Yes ☐ No ☐ If answer is "yes," type of consolidation

REGISTRY OFFICE

If answer is "no," list the owners and tract descriptions which have been actually consolidated (use lease schedule of this form if necessary).

No location will be assigned to the well until all interests have been consolidated (by communitization, force-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
