Gentlemen:

We are returning the enclosed Form C-104 on the subject well for corrections and additional information.

According to the reports submitted, this appears to be an oil well; therefore, please correct the report to show this. Also, show the Oil Transporter and the perforated interval.

Further, prior to assigning an allowable, we must have the deviation tests, sworn to and notarized, and Form C-102, Acreage Dedication Plat, showing 40 acres dedicated to the Abo formation.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script, reading "W. A. Gressett".
