Attention: Mr. Pete McRae

Gentlemen:

Confirming telephone request of this date from Jerry Huckaby, this is to authorize one day of production with a limit of 50 Mcf on January 28, 1985, for the captioned well (Phillips' Meter Station No. 66417). It is understood that this production is allowed for leasehold production purposes only. Such a production allowance will be authorized, on written request, for each future lease production requirement period.

Mr. Huckaby should contact the Artesia Plant Superintendent - Don Laird, telephone (505) 677-3154, to coordinate this authorized period.

Please direct future written requests for leasehold production to this office, letterhead address, to the attention of T. Harold McLemore.

Cordially,

J. W. Maharg
