Gentlemen:

This is to advise that on April 28, 1981 the Southland Royalty Company's State 14-A Com. #1 (Morrow) gas well located in Unit G of Section 14, Township 19S, Range 29E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location measuring recompleted Atoka formation until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion from Morrow to Atoka.

Yours truly,
