Gentlemen: ✓

This is to advise that on March 16, 1981 the Gulf Oil Corporation's Eddy IL State Com. #1 gas well located in Unit E of Section 30, Township 19S, Range 29E, Eddy County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso Natural Gas Company's system.

Yours truly,
