OIL CONSERVATION DIVISION

RECEIVED

IN THE MATTER OF THE HEARING
CALLED BY THE OIL CONSERVATION
DIVISION FOR THE PURPOSE OF
CONSIDERING:

MAY 11 1981

O. C. D.

ARTESIA OFFICE

CASE NO. 7190

Order No. R-6681

APPLICATION OF THRESHOLD DEVELOPMENT
COMPANY FOR AN NGPA DETERMINATION,
EDDY COUNTY, NEW MEXICO.

ORDER OF THE DIVISION

BY THE DIVISION:

This cause came on for hearing at 9 a.m. on March 11, 1981, at Santa Fe, New Mexico, before Examiner Richard L. Stamets.

NOW, on this 4th day of May, 1981, the Division Director, having considered the testimony, the record, and the recommendations of the Examiner, and being fully advised in the premises,

FINDS:

(1) That due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.

(2) That the applicant, Threshold Development Company, seeks a determination by the Division, in accordance with Sections 2 (6) and 102 of the Natural Gas Policy Act of 1978, and the applicable rules of the Federal Energy Regulatory Commission, that its Conoco 10 State Com. Well No. 1 located in Unit I of Section 10, Township 19 South, Range 29 East, NMPM, Eddy County, New Mexico, has discovered a new onshore reservoir from which natural gas was not produced in commercial quantities before April 20, 1977.

(3) That said well was completed in the Atoka formation with perforations from 10,777 feet to 10,790 feet, and a plugged-back depth of 11,704 feet after having been drilled to a total depth of 11,750 feet.

(4) That although there are wells in the general vicinity of the subject well which have penetrated and are or were completed in the Atoka formation, which wells might disqualify the

subject well from a category 102 determination, pressures and productive capacity encountered in said Conoco 10 State Com. Well No. 1 as compared to said wells are completely distinctive and are indicative of non-communication therewith.

(5) That the combined geological and engineering data presented establishes that said Conoco 10 State Com. Well No. 1 has been completed in a new onshore reservoir as defined by the provisions of Section 102 of the Natural Gas Policy Act of 1978 and the applicable rules of the Federal Energy Regulatory Commission.

IT IS THEREFORE ORDERED:

(1) That the Conoco 10 State Com. Well No. 1, located in Unit I of Section 10, Township 19 South, Range 29 East, NMPM, Eddy County, New Mexico, is completed in a new onshore reservoir as defined by Sections 2 (6) and 102 of the Natural Gas Policy Act of 1978, and the applicable rules of the Federal Energy Regulatory Commission.

(2) That jurisdiction of this cause is retained for the entry of such further orders as the Division may deem necessary. DONE at Santa Fe, New Mexico, on the day and year herein-
above designated.
