Dear Mr. Gressett:

The Commissioner of Public Lands of the State of New Mexico recently approved the Communitization Agreement communitizing the Morrow formation in our Palmillo State Well No. 1 located in Section 1, T19S, R28E, Eddy County, New Mexico. They requested that we resubmit Forms C-104 and C-105 showing the new well name: Palmillo State Com. Well No. 1. These forms are attached with the well name change in red. If you have any further questions, contact John Rodgers at the letterhead address.

Very truly yours,

J. E. Pullig
