Gentlemen:

We hereby acknowledge receipt of Form C-104 Re-
questing a 1000 bbl testing allowable on the
subject well.

However, according to our records this is a shut-
in Morrow Gas well, and to date we have not approved
any additional work on the well.

Please advise as to the status of this well.

Sincerely,

A handwritten signature in cursive script that reads "W. A. Gressett".
