Gentlemen:

Threshold Development Company respectfully requests administrative approval of a non-standard unit for the subject well. The south half of Section 7, T19S, R29E, consisting of 305.5 acres, is dedicated to this proration unit in its entirety. The unorthodox size of the unit is necessitated by a variation in the legal subdivision of the U. S. Public Land Surveys. See attached plat.

Yours very truly,

O. V. Stuckey
Division Production Manager
