

Application to Drill Government "AK" No. 1

March 6, 1980

Page No. 5

- C. A flow sensor on the flow line to warn of any abnormal mud returns from the well.
15. Anticipated starting date is one week after this Application for Permit to Drill is approved by the Geological Survey. It should take 35-40 days to drill the well and another 7-21 days to complete.
  16. If the District Engineer needs additional information to support this application, please contact me at the above address.
  17. The Multi-Point Surface Use and Operation Plan for submission to the Bureau of Land Management is attached.

Yours very truly,

E. Y. Wilder  
Region Operations Manager  
Southwest Region  
E & P Division
