Production Mgr. of the Threshold Development Company (company), and that I am authorized by said company to make this report; and that this report was prepared under my supervision and direction and that the facts stated therein are true, correct and complete to the best of my knowledge.

  
O. V. Stuckey Signature

\*Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTE: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard proration unit in one or more of the producing zones, then the applicant must obtain approval of the Commission before the application is processed.

Attn: Mr. Joe D. Ramey

Attn: Mr. W. A. Gressett

Gentlemen:

Threshold Development Company respectfully requests administrative approval of the subject application for dual completion in the Morrow Gas and Atoka Gas Zones.

Attached are: (1) Diagrammatic Sketch of the Proposed Installation, (2) Plat of the Lease and Offsetting Operators, (3) Log of the well with producing zones and intervals of perforations marked and (4) Form C-107.

Offset operators (indicated on Form C-107) are being hereby notified of this application by copy of this letter with attached Form C-107, plat, and diagrammatic sketch.

If there are further data required or additional questions, please contact the undersigned via telephone.

Yours very truly,

O. V. Stuckey  
Division Production Manager
