Gentlemen:

We are returning the enclosed Forms C-104 and C-105 for corrections and additional information.

Please correct the amount of cement behind the 8 5/8" surface casing on both the C-104 and C-105. Show a 24-hour test on both forms and complete Form C-105 by filling in the Formation Record from surface to total depth.

If you have any questions concerning this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "W. A. Gressett".
